Acquisition of S.No. 9 (2acres - 16 guntas) of Kadarenahalli Goribidanur Taluk for shifting of the same village.

Sir,

I have the honour to forward herewith a file of correspondence ending with No. S.2.C. 496/27-28 dated 14-6-1928 from the Sub Division Officer, Chickballapur on the above subject together with declaration statements, in duplicate, both in English and Kannada, under Section 6 of the Land Acquisition Regulation.

2. The present village of Kadarenahalli is very insanitary and is situated very close to the temple of Sri Viduraswatha, and thus has been a source of trouble and inconvenience to the pilgrims that congregate there in large number. For these reasons, the shifting of the village of Kadarenahalli to a better place has long been under contemplation and has been specially urged by the Villagers.

3. The Dharmadarsis of the temple have in their several meetings repeatedly resolved for the immediate removal of the present village to S.No. 9, and that the cost of acquisition of the new site may be met out of the institution funds. S.No. 9, garden, measuring 2 acres and 15 guntas has been selected as the best place for the construction of the new village ; it is valued at Rs. 300/- per acre and contains a well worth about Rs. 600/- and some malki of Rs. 50/-

As immediate possession of the land is deemed necessary

under

under the circumstances referred to above, I request that you will be so good as to cause the enclosed declaration statements (Flagged "A") published in the Mysore Gazette, and to obtain orders of Government for taking possession of land on the expiry of fifteen days from the date of publication of the notice mentioned in Sec. 9(1) of the Regulation. The formalities required under Sections 4 and 5 A may be done away with on account of the urgency of the case, and the Assistant Commissioner in charge of Chickballapur Sub Division may be appointed to perform the functions of a Deputy Commissioner under the Regulation and directed to take orders for the acquisition of the said land.
